

CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
SAN FRANCISCO BAY REGION

ORDER NO. 80-21

ORDER RESCINDING ORDER NO. 76-69, ISSUED TO
LAS GALLINAS VALLEY SANITARY DISTRICT, MARIN COUNTY

The California Regional Water Quality Control Board, San Francisco Bay Region (hereinafter Board) finds:

1. On September 17, 1974, the Board adopted Order No. 74-97, an NPDES permit, prescribing discharge requirements covering the discharge of waste and pollutants by the Las Gallinas Valley Sanitary District (hereinafter discharger).
2. On June 15, 1976, the Board adopted Cease and Desist Order No. 76-69 requiring the discharger to cease and desist from discharging wastes contrary to requirements prescribed by Order No. 74-97 in accordance with a compliance time schedule.
3. The discharger participated in the Eastern Marin-Southern Sonoma Wastewater Management Plan. The Plan recommended that the discharger upgrade the existing facilities and reclaim all wastewater during the summer in order to comply with Basin Plan and NPDES requirements.
4. Although not all of the violations cited in the Cease and Desist Order have been corrected, the discharger has taken actions to implement the recommended project.
5. New tentative requirements covering the proposed project discharge have been prepared for the Board's consideration.
6. On April 15, 1980 at a meeting starting at 9:30 a.m. in the Assembly Room, State Building, 1111 Jackson Street, Oakland, after due notice to the discharger and all other affected persons, the Regional Board conducted a public hearing at which the discharger appeared and evidence was received concerning the discharge.

IT IS HEREBY ORDERED THAT:

This Board's Order No. 76-69 is rescinded.

I, Fred H. Dierker, Executive Officer, do hereby certify that the foregoing is a full, true, and correct copy of an Order adopted by the California Regional Water Quality Control Board, San Francisco Bay Region, on April 15, 1980.
